HANDLER-SELECTS-GUNNER CHALLENGE:

A money stake with \$10 from each entry going into the pot -- winner take all; open to any dog. The HSGC is an elimination event, with no fixed number of series. Handler selects one gunner from the official gun pool. Two live birds (pigeon) are thrown simultaneously for each dog. This is an extremely exciting event, that challenges the wing shooting talents of our gunners and the ability of your dog to complete a true double retrieve!!
